### **A TANNERY NUISANCE.**

#### **Lady Residents Complain to the Health Officer.**

Complaint was filed at the Health Office yesterday by a delegation of ladies, headed by Mesdames J. F. Barry, Vaughn and Sullivan, against the tannery of Kreuz & Getz, on the north side of Twenty-ninth street, west of Dolores. The tannery was declared to be an intolerable nuisance to the residents in the vicinity and the Health Officer was asked to have it abated.

It is understood that the Fairmount and Mission Improvement Club will meet on Sunday to take action in this matter.

#### **Officer Douglass.**

Officer Douglass will be taken before the Police Commission to answer for his conduct in arresting Mrs. King on a charge of soliciting prostitution. A number of other officers will also be asked to explain their attempts to conceal his disgraceful conduct.
