The [Grammy Awards](#) are back and the [red carpet](#) is as wild as ever.

At the 2021 awards show, hosted by [Trevor Noah](#), things looked a little different, because the only people attending were those [up for awards themselves](#). But that didn't stop celebrities from going all out.

DaBaby showed up and showed out in a slick Dolce and Gabbana suit, paired with velvet loafers, a green and red hat, and jewels galore. Meanwhile, stylist and E! red carpet host Brad Goreski gave viewers a lesson in color blocking, pairing a bright pink shirt with a teal suit, all by Versace, with Louboutin shoes and Levian jewels.

Roberto Cavalli gown with neon green feathers and cat claws on the sleeves.
